## Press Release

### **WOODY WAGOON™ ANNOUNCES A NEW LOOK FOR YOUR CHRYSLER MINIVAN**

Unleash your Chrysler Minivan with a new Woody Wagoon™ Molded Graphic™ Kits! Combine our high-resolution vinyl graphics with our exclusive quarter-round moldings to produce a custom design that is either retro or hi-tech, depending on the material chosen. Woody Wagoon's™ traditional "Woody" look is joined by the technical look of simulated Carbon Fiber, and the spectacular appearance of the seven different color-shifting flip-flop materials. These materials change color as your view changes! The raised quarter-round moldings are color-coordinated and size-matched to the material for an impressive 3-dimensional effect!

The Woody Wagoon™ "Molded Graphic" Kits are designed to be installed at home by the do-it-yourselfer, or they can be installed by your local body shop or installer. All components are pre-formed, labeled, and detailed photo-illustrated instructions are provided. Plus, tech help from PT Woody's professional installers is just a phone call away - whether a first-time installer or a savvy professional. Call today for the location of your local retailer or installer, or to order direct.

All the materials provided are OEM-approved and manufactured in North America at ISO 9001 facilities. The use of high-quality materials permits Woody Wagoon™ to offer a 3-year warranty against defects in workmanship and materials.
