Press Release

WOODY WAGOON™ ADDS RETRO STYLE TO THE VW BEETLE

The Woody Cove Kits by Woody Wagoon™ offers a retro re-styling option that takes its design cues from the Beetle's unique design. They are offered in a variety of colored vinyls that includes solid colors, "wood", and spectacular color shifting flip-flop materials. Every kit also includes our exclusive quarter-round trim moldings in both Pearl Beige and Chrome to allow you to make the final design decision!

Designed to be easily installed by the home enthusiast, all components are shipped ready to install and require no trimming or fabrication. The detailed instructions are designed for the first-time installer with extensive photos which make the installation a simple matter of following directions. Even if you need a hand, tech help from Woody Wagoon's professional installers is just a phone call away. Hundreds of home enthusiasts-even an 80-year-old grandmother, have installed our kits! Call today for the location of your local retailer or installer, or to order direct.

Produced from ISO 9001 manufactured materials featuring an application-specific 3M attachment system (adhesive backing) and quality simulated wood materials.
